

ExcellZyme

Combats the effects of
mental and physical
fatigue*

Our stressful lifestyles can sometimes include fatigue, sluggishness, and lack of focus. This unique formula helps oxygenate red blood cells for improved energy and mental clarity.* The result is a potent yet natural form of nutritional support for mental and physical energy without giving the “nervous” feeling of typical stimulants.* This product is ideal for seniors, students, and all those in need of help with concentration.*

Herbal Ingredients. Gota kola, eleuthero, and ginko biloba have been shown beneficial for promoting mental abilities. Alfalfa, rose hips, and grape seed provide antioxidant support to assist the body in the prevention of free radical damage.*

Natural Formula. A vegetarian product in a cellulose capsule, ExcellZyme™ is dairy free, gluten free, and soy free. For best results combine with CalmZyme™ and/or a protease product such as PureZyme™.

Enzyme Blend. The amylase, protease, cellulase, and lipase enzymes in this formula help promote improved delivery of the herbal ingredients.*

Health Benefits: ExcellZyme™ is an enzyme supplement with herbs that supports the kidneys, liver, and hypothalamus for balancing and energy.*
