OTHER INGREDIENTS: CELLULOSE & WATER

May contain fish or shellfish. Bladderwrack algae is a natural aquatic product which may contain traces of fish and/or shellfish.

RECOMMENDED USAGE:

Take one (1) capsule per meal or as directed by a health care practitioner. Take 1/2 hour prior to meal for added appetite control.* Algae naturally contains iodine which is a beneficial nutrient, but excess amounts can cause health issues.* Take no more than 4 capsules per day.

Available in bottles of 90 capsules.

NO FILLERS

Supports healthy digestion and weight management*

Individuals who are interested in an effective weight management program may need additional assistance with fat digestion and appetite control during meals. This support formula is uniquely designed with chromium and synergistic herbal extracts and plant concentrates to assist with digestion and healthy weight management when combined with diet and exercise.* Use this product as part of your diet to maintain cholesterol, glucose, and blood sugar levels already within the normal range.*

- **Herbs and Nutrients.** Chromium and nettles help maintain blood sugars already within the normal range.*
- **Digestive Support.** Garcinia cambogia and plantain are appetite suppressors.* Bladderwrack, cordyceps, and fenugreek support the pancreas, liver, and digestion.*
- **Enzyme Blend.** Enzymes are included in this formula for effective delivery and utilization of the herbal ingredients and nutrients. For best results, take with a digestive enzyme formula such as LypoZyme.

Health Benefits: Transformation's BalanceZyme Plus is a completely natural source of support for the endocrine and digestive systems designed to help support appetite control, weight management, and the maintenance of already normal cholesterol, glucose, and blood sugar levels when used along with a healthy diet and exercise.*
